

## News about the No. 11 bus service

Below is part of the text of a letter sent by Mr Chris Bowles, the Managing Director of Stagecoach. It heralds the reintroduction of a service between Broomwood & the Village, something that many people have been working hard to get for a number of years now. Our thanks go to all involved in the process.

*Dear Mr Huxley,*

*I am pleased to advise you that we have been able to accommodate a change to the Service 11 which will address some of the issues which you have raised. We are proposing to integrate more closely the timetable for service 11 & 371 between Stockport & Altrincham, such that the latter service will be renumbered 11A and will be re-routed via Broomwood between Baguley & Timperley. This will enable two things:-*

- 1. A half- hourly daytime service between Broomwood & Timperley Village (hourly on a Sunday)*
- 2. A faster service between Broomwood, Cheadle & Stockport*

*The changes will be introduced on 17<sup>th</sup> June 2012. I hope the residents & traders will assist in promoting the use of these new links.*

*Yours Sincerely,*

*CJ Bowles*

### **A welcome sign for visitors to Broomwood**

Plans are being developed to install a raised flowerbed on the junction of Mainwood & Thorley Road. It will include a mosaic produced by residents welcoming people to Broomwood as well as a 'Union Jack' flower design to celebrate the Queens Jubilee.

Our thanks go to Irwell Valley Housing and TMBC for supporting this exciting development.

If you would like to get involved in planting this out please call in the G-Force Café & speak to Paul or Tina
