

Broomwood Park Update

Plans include:-

- Tarmacing the BMX track so Young People can use it for skateboards as well as bikes
- Installing a perimeter fence around the park to make it safer for the children near the roads
- Installing three archway entrances similar to the one at the Broomwood Woods
- Removing the track between Keswick Road and the basketball area and replacing it with grass.
- Planting 1000's of daffodils at the corner of the park near the School to produce a lovely spring display
- Constructing a Diamond Jubilee Garden with flowerbeds and seating
- Removing the rusty old lamp post near the basketball pitch.
- Many more community events
- A Friends Group to help look after the Park in the future.

WHAT YOU WOULD LIKE TO SEE HAPPEN IN THE PARK?

PLEASE THINK ABOUT JOINING THE FRIENDS GROUP.
